Dear Mike:

Attached is a manuscript written by former CIA Director Stansfield Turner. It is to be published as an article or the chapter of a book and is entitled "The National Security Agency and How to Control It." Admiral Turner submitted the manuscript for prepublication security review.

Because the subject in this case is NSA, we request that you review the manuscript and indicate any information that you determine is classified. Please cite the legal justification for withholding each item.

We are trying to meet a 12 May 1983 deadline in this case and if you could get us an answer by 10 May, we would appreciate it very much.

Sincerely,

STAT
